

20/30 Wax 2-Sides White Kraft

Product description

A waxed paper that has good grease, oil and juices retention.

End-use

Packaging used for top of the counter service in butcher or fine food shops. For wrapping cheese, cold meat, dry sausages, salamis or other types of food requiring a good release or grease and juices retention.

Regulatory statement

Material is approved by the Canadian Food Inspection Agency.

All components used to manufacture this product are approved by the Food and Drug Administration under the articles 21 CFR 176.170 Components of paper and paperboard in contact with aqueous and fatty foods, 176.180 Components of paper and paperboard in contact with dry food.

The wax also complies with the FDA requirements set forth in 21 CFR 178.3810 for use in non-food articles in contact with food.

Material description
