

A woman with dark hair pulled back, wearing safety glasses and a blue short-sleeved button-down shirt, is smiling. She is wearing red gloves and is in the process of cleaning a surface with a red cloth. The background is a blurred industrial or laboratory setting with warm lighting. The image is overlaid with a semi-transparent circular graphic on the left side.

Wiping Solutions

For your Exceptional Workplace*

From wiping up grime to soaking up spills, effective cleaning is essential to your operation. It directly affects your product quality and your people.

WypAll* Wipers

Kimberly-Clark Professional* is committed to creating exceptional workplaces that are safer, healthier and more productive.

It starts with giving you exactly the right wiper for the job, whether it's heavy-duty parts cleaning — or a delicate task in the lab.

A good product “fit” ensures quality performance, safety and efficiency. It's also how we improve productivity, with no extra wipers or effort needed to complete each task.

So choose your wiper based on your specific needs — and count on Kimberly-Clark Professional* to help you make your workplace truly exceptional.

Take the WypAll* X Wiper Challenge

The **WypAll* X Wiper Challenge** is simple. Replace your cloth rags or shop towels for 60 days. If you don't see the savings, Kimberly-Clark will reimburse you the difference between the cost of your product and our product up to \$1,000 in free WypAll* Wipers. Visit www.kcprofessional.com for full details.

† Savings calculated based on cloth rag 60 day average cost as compared to 60 day Kimberly-Clark trial cost (product purchased – ending inventory)

Which wiper is right for you?

WypAll* L40 Wipers

America's favorite disposable wiper

WypAll* L40 Wipers are an outstanding general-purpose wiper with good performance in a wide range of industrial cleaning and personal wiping tasks. WypAll* L40 Wipers feature our unique DRC (Double Re-Creped) base sheet technology. This unique process creates an absorbent sponge-like inner layer that absorbs liquids fast, with a soft, touchable outer layer.

- Easily absorbs liquids, lubricants, and oils
- Soft enough for use on face and hands
- Setting the standard for general-purpose wiping for over 20 years

WypAll* Waterless Cleaning Wipes

Waterless Cleaning Wipes remove grease from hands, tools and machinery

WypAll* Waterless Cleaning Wipes are a powerful and portable pre-saturated cleaning system designed for on-the-go tasks where dry wiping simply isn't enough.

- Great for cleaning hands, tools, machines, non-porous work surfaces, dirty parts and any other tough jobs wherever they are
- Wipers won't damage tools, equipment or parts
- Ideal for manufacturing, maintenance, engineering, transportation and on-the-go service professionals

WypAll* Waterless Cleaning Wipes Tough on grime, easy on skin

1. Textured surface and advanced cleaning agent efficiently break down and dissolve stubborn dirt and grime
2. Absorbent layer soaks up and holds the dirt preventing it from returning to the hands
3. Smooth surface cleans off any remaining dirt, while leaving the skin coated with moisturizers

Scott® Presaturated Wipes for the Office and Schools

Help prevent the spread of germs

Scott® Surface Wipes are ideal for classroom, office or home cleaning. Gentle ingredients make this wipe acceptable for use by anyone, including children to keep work and play surfaces clean.

Scott® Disinfectant Wipes are alcohol- and bleach-free and are ideal for cleaning, disinfecting and deodorizing.

Most surface disinfectants work for the moment. But bacteria can be quickly reintroduced just by touching and handling the surface again. Scott* 24 Hour Sanitizing Wipes kill 99.9% of bacteria for 24 hours even after multiple touches†.

Scott® Presaturated Wipes

Code No.	Description	Color	Size (inches)	Size (centimeters)	Put-Up	Dispenser	Country
37104	Disinfectant Wipes	White	5.25" x 8.5"	13.34cm x 21.59cm	24/40	N/A	USA only
41524	24 Hour ^{††} Sanitizing Wipes	White	7.87" x 6.69"	20cm x 17cm	12/50	774039 	USA only
42532	24 Hour ^{††} Sanitizing Wipes	White	7.87" x 6.69"	20cm x 17cm	12/50	774039	Canada only

† EPA Reg. No. 9402-17

†† Residual Self-Sanitizing: To sanitize for 24 hours against Staphylococcus aureus, Enterobacter aerogenes, and Community-Associated Methicillin Resistant Staphylococcus aureus (CA-MRSA) on hard, non-porous, non-food contact surfaces. Directions for Wipes: Use enough wipes to thoroughly treat surfaces to remain visibly wet for 5 minutes. Air dry. No rinsing required. Directions for Spray: Spray 6-8 inches from surface until thoroughly wet. Let stand for 5 minutes. Wipe dry. No rinsing required.

Kimtech Prep* Wipers

For critical tasks in healthcare and clean manufacturing environments

From preparing surfaces for painting at an automotive manufacturer to cleaning and disinfecting surfaces in healthcare facilities, Kimtech Prep* Wipers are ideal for tasks where precision and reliability are essential.

Kimtech Prep* Scottpure* Critical Task Wipers

- Low-lint rayon/polyester spunlace
- Clothlike softness
- Excellent absorbency
- Low extractables

Kimtech Prep* Kimtex* Wipers

- Low-lint polypropylene construction
- Perfect for use with grease and oils
- Great for cleaning and prep on surfaces and parts
- Acid-, base- and solvent-resistant

Kimtech Prep* Wipers for the WetTask* Wiping System

- Choose the Kimtech* Wiper that works best for your task and add the chemical solution you prefer
- Enclosed system helps eliminate contaminated rags and solutions and helps reduce exposure to chemical vapors and splashes
- Kimtech* Wiper code 36101 is suitable for disinfecting and sanitizing with quaternary amines, bleach and solvent chemicals

Kimtech* Aviation MRO/OEM Wipes

Understanding that while surface preparation and cleaning is a very small part of the whole aircraft and equipment manufacturing, repair and maintenance process, it is just as crucial and requires precise, tailored product.

Abrasive Surface Wipes

The most durable aviation wipe in our offering specifically designed for abrasive surfaces

Surface Preparation Wipes

Leading-edge material for optimum linting and extractables control. The ultimate in aviation precision wiping performance

Cleaning Wipes

An easy-to-implement lean cleaning solution that addresses waste reduction and productivity improvement around general wiping needs

Wet Wipe System

More controlled dispensing and application of solvent for reduced waste and better overall performance versus traditional bucket/decanter systems and disposable pre-saturated options

All Kimtech* Aviation Wipes meet the requirements of aviation specifications AMS 3819C and BMS 15-5G, and are QPL listed

Our Guarantee

Your total satisfaction means everything to us. If, for any reason, our products do not meet your expectations, Kimberly-Clark will reimburse you[†] for your initial purchase, via FREE product, for up to \$1,000. For more information on Kimberly-Clark Professional*, visit us online at www.kcprofessional.com.

† Guarantee extended to consuming end-user accounts only.

The following information is provided to assist with your buying decisions. Read all instructions and warnings attached to product before use.

It is the responsibility of the user to assess the types of hazards and the risks associated with exposure and then decide on the appropriate personal protective equipment needed for each circumstance. Failure to use only Jackson Safety* designed, produced and tested components, attachments and replacement parts can adversely affect product performance resulting in serious injury.

JACKSON SAFETY* AND KLEENGUARD* APPAREL AND HAND PROTECTION

Apparel or hand protection should be replaced immediately if ripped, torn, abraded or punctured.

Fabrics are not flame-resistant unless specified. Keep away from sparks, flames and sources of ignition. Melting fabric can cause severe burns.

The information provided within this literature refers to the performance of the fabric only, in the laboratory under controlled conditions. Kimberly-Clark makes no representation that its products will provide complete protection from exposure to contaminants. Thin mil gloves are for industrial use only, and are not intended for applications involving direct exposure to hazardous chemicals.

JACKSON SAFETY* EYE PROTECTION

Provides limited eye protection. Additional protective devices are required for full eye coverage and protection.

Does not protect you from all hazards. Even though the lenses in these safety glasses are impact-resistant, they can break and shatter and will not protect you from explosions, all flying debris, and severe impacts.

Should not be worn to provide protection from other hazards including, but not limited to, extreme temperatures, high heat, airborne dusts or mists, liquid splashes, sports activities and high-energy optical radiation.

JACKSON SAFETY* FACE SHIELDS

Will not protect against hazards such as, but not limited to, fragmenting grinding wheels, explosive devices, welding rays, corrosive liquids or molten metal. Some face shields do not provide any impact protection. Do not use for protection against lasers, masers, x-rays or gamma rays. Do not use for protection against infrared (IR) or ultraviolet (UV) light unless marked for this protection. Wear only with Jackson Safety* Brand Headgear or Cap Adaptors or other recommended products. Safety eyewear or goggles must also be worn. Do not use solvents for cleaning.

JACKSON SAFETY* RESPIRATORY PROTECTION

Do not use respirators for sandblasting or to protect against asbestos, lead-based paint, pesticides, oil aerosols, vapors or gases. Do not wear respirators when conditions prevent a good facial seal. It is important to fit check the respirator each time it is worn. Jackson Safety* Brand Respirators are not for medical use and should never be altered or modified. Powered air-purifying respirators (PAPRs) help protect against certain airborne contaminants. Do not use the PAPR with parts or accessories not specifically identified as compatible and which are included on the NIOSH approval label for the PAPR.

[†] Except R95 or P95

JACKSON SAFETY* HEARING PROTECTION

Jackson Safety* Hearing Protection may be adversely affected by certain chemical substances; avoid the use of solvents and other disinfectants. Regularly inspect for tears or cracks and replace if serviceability is suspected to be affected. Corded earplugs should not be used where there is a risk that the connecting cord could be caught up during use.

HEAD PROTECTION

Use other protection against severe impact hazards, severe penetration, or for blows to the front, side, or rear of head. Jackson Safety* Hard Hats protect the top of head only. Replace hard hat after impact, even if there are no visible signs of damage. Replace headgear after one year, and entire hard hat after five years, even if there are no visible signs of damage. Use only Jackson Safety* Brand Hard Hat Attachments with Jackson Safety* Brand Hard Hats. Other manufacturers' attachments may fit, but have not been tested for safety and effectiveness. Use only Jackson Safety* Brand Replacement Headgear specifically designed for your hard hat model. Headgear from other manufacturers (or Jackson Safety* Brand Headgear designed for other models) will not provide proper impact protection even if it fits in the shell. Do not use for sporting or recreational activities.

WELDING HELMET AND/OR FILTER

Must always be worn with impact-resistant safety spectacles or goggles. Use the specified Jackson Safety* Brand Safety Plate in front of the welding

filter. Use the specified Jackson Safety* Brand Internal Safety Plate when using an auto-darkening filter. Keep a safety plate in the fixed portion of a lift-front helmet. Our welding helmets and/or filters are not intended to protect against spatter and rays created during direct overhead welding. Our helmets and/or filters are not suitable for lasers, or low energy (below 5 amps) welding. Our helmets and/or filters are not suitable for oxyacetylene torching or plasma cutting applications unless equipped with the "Torch" mode setting on the auto-darkening filter.

WELDING BLANKETS

Do not use a welding blanket for personal protection. Use only to cover work surfaces for welding. Blanket contains fibrous glass that may cause skin irritation from contact. Wear long-sleeved, loose-fitting clothing when handling. Wash skin with soap and water after contact. Do not use for any purpose other than as a welding blanket. Do not use when wet, because blanket will conduct electricity and heat. Do not allow contact with flammable liquids that would ignite if exposed to sparks.

WELDING CURTAINS

Do not use a welding curtain in place of goggles or other suitable eye protection. Do not use for any purpose other than as a welding curtain.

Kimberly-Clark warrants that its products (1) comply with K-C's standard specifications as of the delivery date to K-C's authorized distributors/direct purchasers and are warranted for the following periods from end-user's date of purchase (verified by valid sales receipt) (a) five years for Balder* Technology auto darkening filters; (b) two years for all other auto-darkening filters; and (c) one year for powered air-purifying respirators; (2) comply with all K-C labeling representations; and (3) are manufactured in compliance with all applicable federal, state, and local laws in effect at the time and place of manufacture of the products. **THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.** K-C is not liable for any kind of special, incidental, or consequential damages. K-C's liability for breach of contract, tort or other cause of action shall not exceed the product purchase price. Purchasers and users are deemed to have accepted the above warranty and limitation of liability, and cannot change the terms by verbal agreement or by any writing not signed by K-C. To the extent required by applicable law, K-C does not limit its liability for death/injury resulting from K-C's negligence.
