# Expressions® Square Plastic Bases & Lids

## BE SQUARE AND SHAPE UP SALES IN STYLE

A stylish, trendy container design attracts attention and creates lasting impressions of your food presentation. Expressions® square bases and lids provide a high-quality, straight-to-the-table dining experience that inspires preference and motivates sales. Packages feature leak-resistant, easy to close lids ideal for takeout or grab-and-go displays — with dine-in versatility. Choose from a variety of materials in an attractive black base to highlight any hot or cold food application or in an Eco-Forward® tan PLA base to support an environmental message. Expressions® squares are the package of choice to enjoy a fine dining or casual restaurant experience in the convenience of your home. Eco™ Expressions® PLA bases and lids are manufactured from Ingeo™ bio-plastics and certified ASTM D6400 by the Biodegradable Products Institute (BPI) and are compostable in a commercial compost facility. Appropriate commercial composting facilities may not exist in your community. Please check with your local municipality. Not suitable for backyard composting.
