

FOOD HYGIENE

KRYSTALIN 2.0 is an effective ready-to-use product used to clean glass and mirrors. The product may also be used for light duty, daily multi-surface cleaning tasks on surfaces such as melamine, laminated surfaces, ceramic tile, stainless steel, chrome, aluminum, vinyl and Plexiglas.

INSTRUCTIONS FOR USE

Spray **KRYSTALIN 2.0** over the surface to be cleaned. Wipe the surface down using a soft, clean cloth, paper towel, or a squeegee.

KRYSTALIN 2.0 may also be sprayed directly on a cloth to be used to clean surfaces. Rinsing not required.

When the product is used in food establishments: Avoid food contamination during the application and storage of this product. All surfaces subject to food contact must be thoroughly rinsed with potable water after use of this product.
